## The Howard Wheeler Award

The Howard Wheeler Award, formerly titled "Mr. and Ms. South Carolina Swimmer of the Year, is presented annually to the highest male and female finishers in a national competition.

Howard Wheeler was the coach of the Furman University Swim Team from 1979 until 1987. He was active in South Carolina Swimming as the head coach of the Paladin Aquatic Club in Greenville. Mr. Wheeler was highly respected in the swimming community in both the state and the nation. He died in 1987.

The award is named in his honor to reward and recognize the swimmers who strive to be at the top of swimming, just as Mr. Wheeler inspired the many athletes who swam under his team banner and in our state.

## **Jennifer Smith Award**

The Jennifer Smith Award, formerly the "Athlete Athlete's Award", is given to the athlete who best represents South Carolina Swimming by exemplifying good sportsmanship and outstanding leadership both in and out of the water.

Jennifer Smith was a former two-time winner of the Howard Wheeler Award, Junior National Champion and an Olympic Trials Qualifier. Her life was taken away several years ago.

This award represents what was best about Jennifer: her kindness to all, her ability to encourage young swimmers and her strong determination to strive to be her best.

## Jennifer Smith Scholarship

Jennifer Leigh Smith was a talented and extraordinary swimmer whose untimely death was a tragic loss to all those who knew her, especially to the competitive swimming community. The most coveted and prestigious honor awarded by South Carolina Swimming now carries her name. In 1999, the Smith family, in conjunction with The Spartanburg Foundation, established the **Jennifer Leigh Smith Memorial Swimming Scholarship Fund**. The endowment reached a level where awarding a scholarship was a reality in 2005.

The monetary award of two thousand five hundred dollars is targeted toward South Carolina swimmers who love the sport of swimming and its commitments but who have not been able to make those highly competitive times that senior swimming requires and which Jennifer was able to achieve. It is directed to the swimmer who loves the sport but has fewer avenues of funding that allow him or her to continue their sport in college.
